SECRETARY REVIEWS CHAMBER OF COMMERCE ACTIVITIES FOR 1941

The following information regarding the 1941 activities of the Hondo Chamber of Commerce was handed us by Secretary R. C. Rath as presented by him at the December meeting of the organization:

Early in January of 1941 the proposed airport for Hondo was placed before the Hondo Chamber of Commerce and several locations were investigated. However, no location could be secured that was satisfactory to Hangar Six Inc. of Austin. One of the directors made a trip to Austin to contact the interested parties.

A Fellowship Meeting was held on February 3 at the Hondo High School gymnasium and a cold meat supper was served. Principal speaker was Rev. W. C. Dickey of Uvalde. Joe Watson, Secretary of the Uvalde Chamber of Commerce, also addressed the meeting briefly.

In February initial plans were made for a Medina County Boys' Fat Stock Show. Division committees were appointed from among the directors to investigate and report at next meeting. There was also a discussion about outside solicitors and one of the directors went to San Antonio to contact L. J. Turner, Chairman of the Vigilance Committee of San Antonio. He was very cooperative in giving information on handling solicitors and commended the local organization for taking such steps to protect the local merchants and businessmen.

A committee was appointed to try to secure a Star or R. F. D. mail route to Tarpley.

A letter was written to Congressman Milton H. West to look into the delay on WPA project No. 10-1642 pertaining to lateral roads and low water bridges in Medina County.

The Secretary was instructed to write Senator Winfield and Representative C. P. Spangler asking them to support and endorse an appropriation to finance a state-wide Fire Instruction School. Their replies were favorable and the local Fire Dept. secured a credit of 3% on the insurance rates by having members in attendance at the schools.

A membership drive was conducted in February and ended with 213 members in the organization.

In March the Chamber of Commerce voted to hold a barbecue on April 15th and invite the Chambers of Commerce of surrounding towns to discuss the Fat Stock Show. They also discussed the possibility of building a Boy Scout log hut to be located in the park. Rodent control was also discussed and a member of the board of directors was appointed to attend a district meeting in San Antonio. The committees on the Fat Stock Show met with the Vocational Agriculture teachers and the County Agent of the County to set up rules and regulations and to elect officers.

On April 15th the county-wide meeting was held at the High School auditorium. A barbecue supper followed and was served on the Water Works lawn. The purpose of the Fat Stock Show was presented and the chairman of the various divisions gave reports, and the rules and regulations were given.

Also in April, the Chamber of Commerce instructed the Secretary to write Representative Spangler to indorse H. B. No. 55, pertaining to Texas textbooks being printed in Texas. The following committee chairman were also appointed:

Fat Stock Show—O. A. Fly.
Membership—Thos. B. Knopp.
Postage—W. F. Gaudian.
Highway—Frank X. Vance.
Vigilance—Homer Wilson.
Entertainment—R. L. Kollman.
Civic—Walter Case.
Civil—J. H. Burgin.
Publicity—R. C. Rath.

The Chamber of Commerce entertained the Hondo High School Owls football squad, bi-district champions, and the girls pep squad, with a Mexican supper in conjunction with the December meeting and the election of officers. Rodent control is being sponsored and is being conducted this week in Hondo by the Chamber of Commerce.

In addition to these activities, the local organization has been host to Sabinal, Uvalde, Eagle Pass and Crystal City on their good will and advertising trips. Numerous requests for hunting leases have been answered, and information regarding farm and ranch conditions, city health, schools, churches, etc., has been widely distributed.

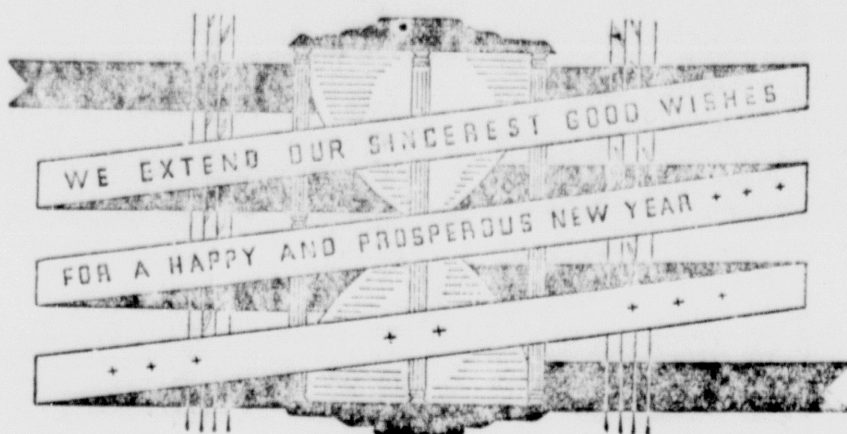

Field trips by directors of the Chamber of Commerce have been made at their own expense. They have been reimbursed only for telephone calls, etc.

All persons having bills against the Chamber of Commerce are requested to have them in the hands of Secretary before the first of the New Year.

NOTICE TO MEDINA COUNTY AID SOCIETY MEMBERS

The regular meeting of the Medina County Aid Society is hereby called to be held at the courthouse, Hondo, Texas, on Saturday, January 10, 1942, at 2 o'clock P. M. for election of officers for the coming year.

All members are invited to attend. F. BATOT, H. V. HAASS, Sr., President. Secretary.

WATCH NIGHT SERVICE

Wednesday evening there was a Union Watch Night service held at the Baptist Church. The program was divided into three sections: First a Get-Acquainted service; greetings songs. Second, Social and refreshments; Miss Joyce Garrison, presiding, assisted by others. Then came a Devotional and Consecration service, presided over by Rev. Ira V. Garrison. There were several special musical numbers and prayers. The devotional talk was made by Rev. R. F. Davis.

It was decided to ask all Christian people to join daily in a few moments of silent prayer for Our Boys in the service; for those in authority in the Nation; for the war stricken world, and for our own Christian lives.

The Time: It was suggested that as everybody would hear the noon whistle at the Fire Department, that that would be a good signal for prayer. Let everyone bow your head and stop right where you are for a moment of silent prayer. Uncover your head and stand for a moment in recognition of God and our need of Him.

Then let us all remember that the nation that forgets God is doomed. And that the nation, whose God is the Lord, will prosper.

Go to Church somewhere Sunday; honor God and He will honor you.

DINNER PARTY

Miss Judy Lacy and Albert and Arthur Lacy were hosts of a dinner party at 7:45 p. m. Friday in their home, honoring their guests, Miss Ruth Schlitz of Encinal and Edwin Holcomb of Jacksonville. Following the dinner the group motored over to Uvalde where they attended the annual A. and M. Christmas dance.

The Lacy home was beautifully decorated in the holiday motif. Red chrysanthemums adorned the rooms and the stairway was entwined with mistletoe, icicles and colored lights. The soft glow of burning logs in the fireplace added to the warmth of the hospitality extended by the young hosts and their mother, Mrs. J. D. Lacy, and a large Christmas tree was a part of the holiday picture.

The menu consisted of fruit juice cocktail served in the living room, and creamed chicken in patty shells, creamed potatoes and peas, fruit salad, hot rolls, fruit cake, caramel pie, and coffee. The dinner table was centered with a bowl of the red blossoms.

The personnel included Misses Ruth Schlitz, Mary Ann Noonan, Margaret Ann Knopp, Stella Grell, Jane Littleton, Laura Lee Leinweber and Judy Lacy, and Edwin Holcomb, Charles Vincent Richter, Joe Henry Biry, Clinton Grell, Henry Martin Finger, Martin Noonan, and Albert and Arthur Lacy.

HOLIDAY PARTY

One of the holiday gatherings for the college crowd was the supper and picture show party Saturday evening, with Miss Mary Ann Noonan as hostess, honoring her guest, Miss Jane Littleton of San Antonio. The girls are roommates at the University of Texas.

The supper was held at 8 p. m. in the home of Judge and Mrs. R. J. Noonan, which was decorated in the seasonal motif. The menu consisted of toasted cheese sandwiches, tuna salad, potato chips, olives and pickles, angel food cake, cookies and hot chocolate.

The group attended the last show at the Raye Theatre and then went over to Sabinal for dancing at the MEG Ranch House.

The guests included Misses Helen Burgin, Laura Lee Leinweber, Margaret Ann Knopp, Jane Littleton, Eloise Kollman, Ruth Schlitz, Judy Lacy, Mary Louise Haegelin, and Mary Ann Noonan, and Harry Kollman, Henry Martin Finger, Charles Vincent Richter, Clinton Grell, Elmer Joe Leinweber, Albert Lacy, Edwin Holcomb, Hugh Meyer and Arthur Lacy.

HONDO OWLS LETTER NINETEEN

From The Owl:

On Monday, December 15, nineteen Hondo Owl gridsters were awarded letters. The lettermen met in the gymnasium to select the type of jacket preferred as awards. This is somewhat out of line with previous years in that sweaters are usually selected as awards to the lettermen.

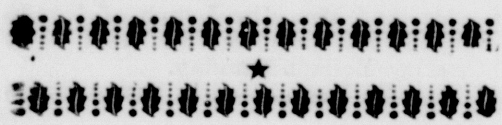

Those receiving letters were G. H. Flinger and C. C. Dawson, co-captains, Bennie Mitchell, Lacy C. Gilliam, E. J. Williams, Melvin Wendland, Guido Schweers, Clinton Britsch, John H. Graff, Clyde Schuehle, Claude Schuehle, Kenneth Flory, Willie J. Williams, Tommy Ney, Ashbel Gilliam, Frank Graff, Franklyn Bless, Stanley Hollmig, and Robert Groff. Joe Embrey will receive the manager's award. The Owls will be hard hit next year because a large number of the lettermen are seniors. The first twelve listed are those lettermen who will not see service with the Owls next year.

Hesay—Poor MacDonald is tied to his wife's apron strings, I'm told. Utelem—Don't call him "poor". I think he's lucky to have a wife who has apron strings.—Pathfinder.

SECRETARY REVIEWS CHAM- BER OF COMMERCE ACTIV- ITIES FOR 1941

The following information regard-
ing the 1941 activities of the Hondo
Chamber of Commerce was handed
us by Secretary R. C. Rath as pre-
sented by him at the December meet-
ing of the organization:

Early in January of 1941 the
proposed airport for Hondo was
placed before the Hondo Chamber of
Commerce and several locations were
investigated. However, no location
could be secured that was satisfac-
tory to Hangar Six Inc. of Austin.
One of the directors made a trip to
Austin to contact the interested
parties.

A Fellowship Meeting was held on
February 3 at the Hondo High School
gymnasium and a cold meat supper
was served. Principal speaker was
Rev. W. C. Dickey of Uvalde. Joe
Watson, Secretary of the Uvalde
Chamber of Commerce, also address-
ed the meeting briefly.

In February initial plans were
made for a Medina County Boys'
Fat Stock Show. Division com-
mittees were appointed from among
the directors to investigate and re-
port at next meeting. There was
also a discussion about outside solici-
tators and one of the directors went
to San Antonio to contact L. J. Turner
Chairman of the Vigilance Com-
mittee of San Antonio. He was very
cooperative in giving information on
handline solicitors and commended
the local organization for taking
such steps to protect the local mer-
chants and businessmen.

A committee was appointed to try
to secure a Star or R. F. D. mail
route to Tarpley.

A letter was written to Congress-
man Milton H. West to look into the
delay on WPA project No. 10-1642
pertaining to lateral roads and low
water bridges in Medina County.

The Secretary was instructed to
write Senator Winfield and Repre-
sentative C. P. Spangler asking them
to support and endorse an appropria-
tion to finance a state-wide Fire In-
struction School. Their replies were
favorable and the local Fire Dept.
secured a credit of 3% on the insur-
ance rates by having members in
attendance at the schools.

A membership drive was conduct-
ed in February and ended with 213
members in the organization.

In March the Chamber of Com-
merce voted to hold a barbecue on
April 15th and invite the Chambers
of Commerce of surrounding towns
to discuss the Fat Stock Show. They
also discussed the possibility of
building a Boy Scout log hut to be
located in the park. Rodent control
was also discussed and a member of
the board of directors was appointed
to attend a district meeting in San
Antonio. The committees on the Fat
Stock Show met with the Vocational
Agriculture teachers and the County
Agent of the County to set up rules
and regulations and to elect officers.

On April 15th the county-wide
meeting was held at the High School
auditorium. A barbecue supper fol-
lowed and was served on the Water
Works lawn. The purpose of the
Fat Stock Show was presented and
the chairman of the various divisions
gave reports, and the rules and regu-
lations were given.

Also in April, the Chamber of
Commerce instructed the Secretary
to write Representative Spangler to
indorse H. B. No. 55, pertaining to
Texas textbooks being printed in
Texas. The following committee
chairmen were also appointed:

Fat Stock Show—O. A. Fly.
Membership—Thos. B. Knopp.
Postage—W. F. Gaudian.
Highway—Frank X. Vance.
Vigilance—Homer Wilson.
Entertainment—R. L. Kollman.
Civic—Walter Case.
Civil—J. H. Burgin.
Publicity—R. C. Rath.

The Chamber of Commerce enter-
tained the Hondo High School Owls
football squad, bi-district champions,
and the girls pep squad, with a Mex-
ican supper in conjunction with the
December meeting and the election
of officers. Rodent control is being
sponsored and is being conducted
this week in Hondo by the Chamber
of Commerce.

In addition to these activities, the
local organization has been host to
Sabinal, Uvalde, Eagle Pass and
Crystal City on their good will and
advertising trips. Numerous re-
quests for hunting leases have been
answered, and information regarding
farm and ranch conditions, city
health, schools, churches, etc., has
been widely distributed.

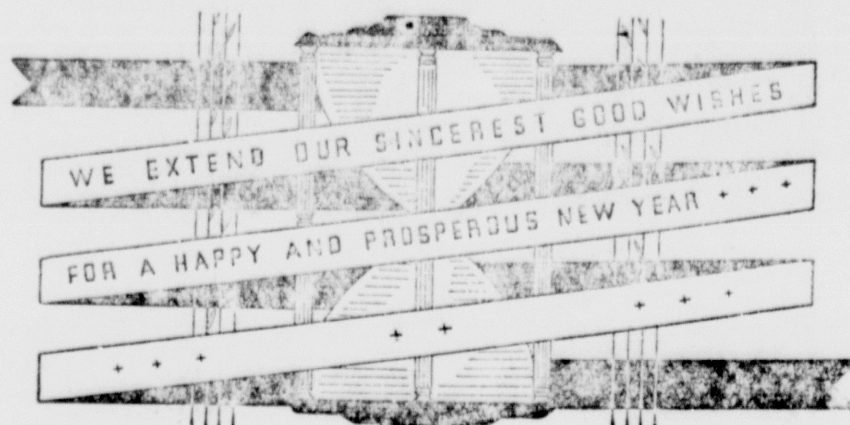

Field trips by directors of the
Chamber of Commerce have been
made at their own expense. They
have been reimbursed only for tele-
phone calls, etc.

All persons having bills against the
Chamber of Commerce are requested
to have them in the hands of Secre-
tary before the first of the New
Year.

SECOND LAP

WATCH NIGHT SERVICE

Wednesday evening there was a
Union Watch Night service held at
the Baptist Church. The program
was divided into three sections: First
a Get-Acquainted service; greetings
songs. Second, Social and refresh-
ments; Miss Joyce Garrison, presid-
ing, assisted by others. Then came
a Devotional and Consecration ser-
vice, presided over by Rev. Ira V.
Garrison. There were several special
musical numbers and prayers. The
devotional talk was made by Rev. R.
F. Davis.

It was decided to ask all Christian
people to join daily in a few mo-
ments of silent prayer for Our Boys
in the service; for those in authority
in the Nation; for the war stricken
world, and for our own Christian
Bless.

The Time: It was suggested that
as everybody would hear the noon
whistle at the Fire Department, that
that would be a good signal for pray-
er. Let everyone bow your head and
stop right where you are for a mo-
ment of silent prayer. Uncover
your head and stand for a moment
in recognition of God and our need
of Him.

Then let us all remember that the
nation that forgets God is doomed.
And that the nation, whose God is
the Lord, will prosper.

Go to Church somewhere Sunday;
honor God and He will honor you.

DINNER PARTY

Miss Judy Lacy and Albert and
Arthur Lacy were hosts of a dinner
party at 7:45 p. m. Friday in their
home, honoring their guests, Mr.
Ruth Schlitz of Encinal and Edwin
Holcomb of Jacksonville. Following
the dinner the group motored over
to Uvalde where they attended the
annual A. and M. Christmas dance.

The Lacy home was beautifully
decorated in the holiday motif. Red
chrysanthemums adorned the room
and the stairway was entwined with
mistletoe, icicles and colored lights.
The soft glow of burning logs in the
fireplace added to the warmth of the
hospitality extended by the young
hosts and their mother, Mrs. J. D.
Lacy, and a large Christmas tree
was a part of the holiday picture.

The menu consisted of fruit juice
cocktail served in the living room,
and creamed chicken in patty shells,
creamed potatoes and peas, fruit
salad, hot rolls, fruit cake, caramel
pie, and coffee. The dinner table
was centered with a bowl of the red
blossoms.

The personnel included Misses
Ruth Schlitz, Mary Ann Noonan,
Margaret Ann Knopp, Stella Grell,
Jane Littleton, Laura Lee Leinweber
and Judy Lacy, and Edwin Holcomb,
Charles Vincent Richter, Joe Henry
Biry, Clinton Grell, Henry Martin
Finger, Martin Noonan, and Albert
and Arthur Lacy.

HOLIDAY PARTY

One of the holiday gatherings for
the college crowd was the supper
and picture show party Saturday
evening, with Miss Mary Ann
Noonan as hostess, honoring her
guest, Miss Jane Littleton of San
Antonio. The girls are roommates at
the University of Texas.

The supper was held at 8 p. m. in
the home of Judge and Mrs. R. J.
Noonan, which was decorated in the
seasonal motif. The menu consisted
of toasted cheese sandwiches, tuna
salad, potato chips, olives and
pickles, angel food cake, cookies and
hot chocolate.

The group attended the last show
at the Raye Theatre and then went
over to Sabinal for dancing at the
MEG Ranch House.

The guests included Misses Helen
Burgin, Laura Lee Leinweber, Mar-
garet Ann Knopp, Jane Littleton,
Eloise Kollman, Ruth Schlitz, Judy
Lacy, Mary Louise Haegelin, and

BENNO HUEGELE

Benno Huegele died in San Antonio on Sunday, December 28, 1941. His remains were brought to his home in Hondo and on Monday afternoon buried in the Catholic section of Oakwood cemetery. A brief service was held at the Horger funeral home and at St. John's Church, his pastor, Rev. C. Garcia conducting the same according to the rites of his church. The pall-bearers, all nephews of the deceased, were: Welton Meyer, Harry Meyer, Clarence Huegele, Elton Huegele, Joe Meyer and Henry Batot. There was a large attendance of relatives and friends present to pay their last respects to the deceased.

Mr. Huegele was born at Bader Settlement, near Castroville, on July 25, 1872. He was, therefore, 69 years, 5 months and 3 days of age at the time of his demise. He had lived all his life in Medina County, having moved to Hondo in January 1928 with his mother with whom he made his home. He was never married. He followed the occupation of farming and carpentering.

Besides his aged mother, 92 years of age and who misses him sadly, he is survived by two sisters and two brothers, Mrs. Mina Meyer of San Antonio and Mrs. Alex L. Haby of Hondo, Otto W. Huegele of Rio Medina and Pete Huegele of Devine, and a large number of nieces and nephews.

The deceased was an industrious man of independent means. He was a quiet, law-abiding citizen who honored his country and respected its laws and customs. His friends were numbered by his acquaintances.

This paper joins in sympathy for those who mourn his passing.

LEARN OF FRIEND'S DEATH IN ACTION

Clinton Jagge learned Christmas Day that his friend and former classmate, Robert J. H. Weinzapfel, had been killed in action in the Pacific war. Ensign Weinzapfel "died" to death in the sea as he fought back the Japanese air fleet which attacked Pearl Harbor on that Sunday morning that is to be remembered in history as a day of infamy.

Young Weinzapfel, 1940 graduate of St. Mary's University and graduate of the first civilian flying course at the school, visited Clinton Jagge and his parents, Mr. and Mrs. P. C. Jagge, and his grandparents, Mr. and Mrs. H. V. Haass Sr., on many occasions. He was president of the student government at Chaminade Hall at St. Mary's and received further flight instruction at the Pensacola Naval Station. He is the son of Mr. and Mrs. J. M. Weinzapfel, a banker at Muenster, Texas. He attended Corpus Christi College-Academy before enrolling at St. Mary's.

Washington Snapshots by JAMES PRESTON

Washington is burning the midnight oil.

Unity behind the Victory Program is a real, almost tangible thing. It can be seen in the earnest manner in which the Administration, industry and labor have accepted their respective roles. There are still many rough spots, but criticisms offered are helpful. All "fight-to-the-finish" stuff between Administration and critics has been shelved for the present.

—WSS—

One touchy matter which has yet to be straightened out is the status of the closed shop. Any extension or curtailment of the closed shop will not only influence production schedules for the duration of the war, but will also affect the course of national readjustment afterwards.

The latest battle for a closed shop resulted in strengthening the unions' position. The facts of the captive coal mines dispute bears this out. In spite of the fact that public opinion was against the strike in the steel company-owned mines; in spite of the fact that the National Defense Mediation Board twice ruled in favor of the steel companies; in spite of the fact that the President personally intervened to effect a cessation of the strike; and in spite of the fact that the Smith Bill designed to prevent strikes was passed by almost a 2 to 1 vote in the House, John L. Lewis got his closed shop.

The decision of the Arbitration Board appointed to settle the issues in the captive coal mines dispute was in favor of a union shop. The distinction between a union shop and a closed shop is a legalistic one. For all practical purposes, they are the same.

Business circles in Washington draw the conclusion that the Administration is still not willing to let organized labor lose a decision.

—WSS—

On top of the captive coal mine mess comes the announcement that the Senate Committee on Education and Labor will postpone further consideration of legislation to prevent strikes, pending the outcome of a conference between spokesmen for management and labor which the President has called.

There is not too much enthusiasm here for the conference. Prior to the declaration of war by Japan, there was practically none at all. But under war conditions, sentiment changed and many Senators who had been prepared to support labor legislation swung over to the conference idea.

The boys around town are saying that this is organized labor's big effort to prevent the passage of strike legislation . . . and that the Administration would like to see it successful. Industry doesn't like the idea, but feels that it is its public obligation to come and cooperate. Many Congressmen don't like the

idea either. The formulation of a national war-time labor policy is the job of the President, the Senate and the House, they think, and responsibility should not be shifted to private conferees. The interests to be considered are far wider than those of labor and management alone. Even the blessings of the Executive branch of the Government cannot give these interests voice at the conference.

—WSS—

The news situation in Washington is more confusing than ever. On the one hand, President Roosevelt warns the nation not to listen to gossip attributed to "authoritative sources." On the other hand, Cabinet members and others who are "in the know" caution newspapermen not to reveal the source of the information that is given to them . . . which means more stories from "authoritative sources." Naturally there is a wide divergence of opinion as to what should or should not be printed. No one wants to give away any military secrets, but the public should not be kept entirely in the dark. It is a situation which will clear up with time and the application of common sense by all concerned.

—WSS—

Bright spots of the week: The first heavy tank ever built in the United States roared through a series of tough tests with ease—a tribute to the productive ability of American industry.

There was no great economic panic as a result of the declarations of war against Japan, Italy and Germany. The stock market accepted the declarations calmly, and a few hours later had discounted them. That's something to be thankful for.

Essentials such as food and clothing are available in sufficient quantity. Consumers will, however, have to learn to do without a good many of the trimmings. Almost everything which requires essential materials is removed from private consumption.

ST. OLAF CHOIR COMING TO SAN ANTONIO

Few musical organizations have enjoyed the unanimous acclaim of the critics as has the St. Olaf choir, scheduled to appear in concert here Thursday, February 5, at the San Antonio Municipal Auditorium.

This organization, composed of sixty carefully selected voices from the student body at St. Olaf College, Northfield, Minnesota, has repeatedly toured the country from east to west, winning the highest praise from the music critics of leading newspapers in Boston, New York, Chicago, Cleveland, Washington, Denver, Seattle, San Francisco and Los Angeles. Its coming here is in response to urgent requests from many of whom its fame has spread.

The choir has been trained by Dr. F. Melius Christiansen who, while a student in Leipzig for a number of years, attended the choral classes of Gustav Schreck, celebrated teacher at the University of Leipzig and for many years director of the St. Thomas church choir. No doubt Dr. Christiansen received much inspiration from his association with Gustav Schreck for soon after his return to America he founded the St. Olaf Choir which year after year receives the unanimous acclaim of music critics as one of the finest a capella choirs in America.

Sixty young men and women form the choir. When college opened in September 1931, more than four hundred applicants appeared before Dr. Christiansen to "try out" for the few vacancies caused by graduation the preceding June. In these "try-outs" Director Christiansen retains only such voices as are free from unsteadiness and disposition to breathiness, and the result is perfection of balance, precision of attack and release, and flawless intonation. It is difficult to convey to those who have not heard this singing group the likeness and control of the body of tone, for the sixty voices are exactly like one voice multiplied by sixty.

Profits derived from the Concert will be shared by Texas Lutheran College of Seguin and the Grace Sanatorium of San Antonio.

HUSBAND OF HONDO GIRL TO RECEIVE DECORATION

A dispatch from Washington, D. C. on December 23, to The Dallas News reported that the War Department announced that in recognition of a trans-Pacific flight made Sept. 5-12 seventy-five officers and enlisted men of the Army air forces have been recommended to the President for awards of the Distinguished Flying Cross. Eight officers and men to be decorated are from Texas and four are from Oklahoma. In the Texas group is Technical Sergeant Thomas E. Keahey of Sabinal. Sgt. Keahey is the husband of the former Corine Reynolds of Hondo, who is now at Hickam Field, Hawaii, while her husband is in Manila, P. I.

The flight, made by a number of four-engine bombardment planes was from Honolulu to the Philippine Islands, where the planes of the formation have since been heavily engaged in the defense of the islands against Japanese attacks, according to the dispatch. The War Department said this flight ranks as one of the greatest in aviation history.

The pilot of one of these planes was Capt. Colin P. Kelly Jr., who gave his life in successfully attacking the Japanese battleship Haruna. He will receive the award posthumously.

To avoid Japanese patrols it was necessary to make the flight from Honolulu to the Philippines over an uncharted and circuitous route which took the formation deep into the South Pacific. Most of the long route had never been flown before by either commercial or military craft, the dispatch said.

Officers and men from Texas and Oklahoma to receive the award are: Lieut. Weldon H. Smith, Norman, Okla.; Lieut. Francis R. Thompson, El Reno, Okla.; Lieut. Curtis J. Holdridge, Altus, Okla.; Lieut. Henry Dittman, Goose Creek; Lieut. Robert F. Wasson, Odessa; Lieut. Eddie W. Hayman, Huntsville.

Technical Sergeants: George A. Heard, Longview; Thomas E. Keahey, Sabinal; Perry W. Whitley, Santo; Roger W. Stephens, Waco.

Staff Sergeants: James L. Cannon Schertz, and Coley L. James, Oklahoma City.

PEARL PAYS 10% ANNUAL BONUS

Every employee of the Pearl Brewery received his (or her) usual 10% of his (or her) annual earnings' bonus.

This bonus was equivalent to practically five weeks and two days salary checks for each employee. Each year the Pearl Brewery has presented bonuses to its employees at Christmas time.

"The management of the Pearl Brewery feels," said B. B. McGimsey, Vice President and General Manager of the Pearl Brewery of San Antonio, "That each employee does his or her work in ratio to his or her salary in making the Pearl Brewery continuously successful; in aiding in increasing the production, distribution, and sales of Pearl beer; therefore, it is with pleasure we give each employee a bonus amounting to 10% of his or her annual earnings. While this check is equivalent to a little more than 5 weekly pay checks for each employee, we feel the pleasure that will be derived by the employee and his family from this extra bonus will be the employee's reward for his untiring services during the year."

The 1941 sales for Pearl beer were the greatest in the Brewery's more than half a century history, month for month.

The spending of these bonuses will aid in making other firms' business prosper so they, too, in '42, will continue to say, "Bottle of Pearl, please."

The Pearl Brewery goes into 1942 with expanded production, advertising, and sales plans, anticipating a year even exceeding the present banner year.

The Tigers practically won the

other games for the zone were easy
victories for the Tigers. Scores of
the games were Yancey vs. LaCoste

Yancey vs. D'Hanis 18-12, Yancey
vs. Barksdale 52-12. The district
game against Big Wells, which was
played at Hondo, was a hard fought
game from start to finish and ended
with the score 14-0. The climax of

the season came in the bi-district
game which was by far the hardest
fought and best game of the season.
The Tigers will receive their awards
at a banquet which will be given
soon after the Christmas holidays.

"DOING THEIR BIT"

100% of the employees of the
Pearl Brewery subscribed for De-
fense Bonds totaling \$45,400.00 in
addition to the limit subscribed by
the Pearl Brewery, itself, its owners,
officers, and executives. This is the
answer of the Pearl Brewery employ-
ees to "Remember Pearl Harbor."
"This subscription of \$50 or larger
bond from every employee in the
Pearl Brewery is the beginning of a
substantial Defense Bond buying
Program started at the beginning of
the year at the Pearl Brewery by its
owners and executives and has now
touched the hearts and purses of
every employee of the Pearl Brew-
ery," said B. B. McGimsey, Vice-
President and General Manager.

The Brewery, its president and
officers set up a definite Defense
Bond Buying Program in July, 1941,
when Defense Bonds were offered
by the U. S. Treasury. This Defense
Bond Buying Program has grown so
that month after month, more em-
ployees of the Brewery are buying
Bonds. In December, in addition to
the Bonds held by the employees, they
subscribed \$45,400.00 of December
purchases of Defense Bonds in addi-
tion to the bonds they had and are
setting up a 1942 Defense Bond
Purchase Program.

In expressing appreciation of this
100% Pearl Brewery employee De-
fense Bond owners group, B. B.
McGimsey, Vice-President and Gen-
eral Manager of the Pearl Brewery

said, "For sometime we have been
hearing the reasons we should buy
National Defense Bonds. Since being
attacked by Japan, Sunday, Decem-
ber 7, followed by the declaration of
war against our country by Japan,
Germany, and Italy, you have made
it evident that no further argument
is necessary to persuade you to buy
Defense Bonds. The Management of
the Pearl Brewery is proud of the
fact that its employees bought \$45-
400.00 in Defense Bonds in the past
week. It proves that those of us who
are not in the Fighting Forces can
at least lend our dollars to finance
the fight to a successful conclusion.
We should not think of it from the
cost standpoint but others should

follow your example, and measure
the struggle by the dollar mark (\$).
In fact, there are no 'ifs' and 'Ands',
as we are in to the end and all of us
put together have what it takes to do
a successful job. The Management of
the Pearl Brewery is proud of the
fact that each of its employees has a
bond of \$50 or more and that the
\$12 of you have just purchased an
additional \$45,400.00 worth of bonds
in addition to Baby Bonds and De-
fense Bonds and Government Bonds
owned by the Brewery, its president
and officers, who have bought to the
limit."

"The Company, its president,
some months ago, bought the maxi-
mum allowed by law in one year. The
maximum will be bought in 1942.
The other officers of the Company
have bought to their limit and will
buy more to augment the amount
you have bought and are planning to
buy regularly during 1942.

"By the bonds you have bought,
you have loaned the Government
your money at the interest rate of
about 2.9%; each year, they become
more valuable. At the end of ten
years you will get \$100 for each
\$75.00 you invested this week.

"It should not be necessary for me
to try to impress you with the fact
the Management is proud that each
of you recognizes it is a privilege, as

well as a duty, to buy Defense Bonds,
and we sincerely hope other organi-
zations throughout the city, the
state, and the nation will follow your
example.

"We are as proud of you, as you
are our product."

(Signed).

Vice-Pres. & Gen. Mgr.

CASTROVILLE, TEXAS, TUESDAY, DECEMBER 30, 1941

THE RAYE PRESENTS—

"TWO-GUN SHERIFF"—Friday and Saturday, Western film of two brothers who took different paths, one as sheriff of the county and the other as the Sundown Kid, an outlaw. The dual role is played by Don "Red" Barry. Others in the cast are Lynn Merrick, Jay Novello, Lupita Tovar, Milton Kibbee, Fred Kohler Jr. and Marin Sais.

"GREAT GUNS"—Sunday and Monday, comedy with Stan Laurel and Oliver Hardy heading a cast composed of Sheila Ryan and Edmund MacDonald and others. The two comedians are cast in the roles of gardener and butler in the home of a rich young man who is dominated by his maiden aunts. When the young man is drafted, Laurel and Hardy enlist to continue to serve him. This is against all army tradition and the boys have a tough time of it.

"DIVE BOMBER"—Tuesday, Wednesday and Thursday, air drama filmed in beautiful Technicolor. It is a tribute paid aviators and flight surgeons who sometimes give their lives to make flying safe for other fighting pilots. A notable cast includes Errol Flynn, Fred MacMurray, Ralph Bellamy, Regis Toomey, Herbert Anderson, Louis Jean Heydt, Craig Stevens, Robert Armstrong, De Wolf Hopper, Garret Craig, Charles Drake, James Anderson, Allen Jenkins, Addison Richards, Moroni Olsen and Alexis Smith.

they grow very rapidly. When the vines are too long to permit plowing they may be turned just before the last cultivation is given them.

There is no other crop that will mean as much to the comfort and health of the farm family as the garden will. One acre garden well planned, planted and cultivated will produce more fresh vegetables than the money derived from 10 acres of cotton will buy. With a home canner, the family may can enough of all kinds of vegetables for use all winter. The fresh vegetables direct from the home garden are far ahead of the wilted ones bought from the stores and that may have been pulled a week before. And how much cheaper it is to grow them ourselves! A few dollars worth of garden seed, a few hours pleasant work in the garden now and then, and one acre of land will produce healthful foods for the whole family the year round and save from \$400 to \$500 a year. The farm program for 1942 should include one acre or more in garden and truck crops to insure a living at home.

FEEDING AND CARE OF MILK GOATS

Six to eight milk goats can be kept upon the feed required for one cow. G. G. Gibson, assistant extension dairyman, says that the goat, often characterized as the poor man's cow, will supply sufficient milk for the average family and can be kept where it would be impossible to keep a cow.

But to produce, the goat must be fed properly and when does are in milk they should be allowed all the roughage, such as alfalfa, clover, or mixed hay and fodder, they will consume. Also they should receive a liberal quantity of succulent feed, such as silage or root crops. The Bureau of Dairy Industry has found, Gibson says, that 1.2 pounds of grain are required to produce a quart of goat milk. Some of the grain feeds best suited for the ration of goats are corn, oats, bran, barley, and linseed, or cottonseed meal.

A ration that has been used in the Bureau's herd consists of two pounds of alfalfa or clover hay, 1-1/2 pounds of silage or roots, and from one to two pounds of grain. The grain ration consists of a mixture of 60 pounds of corn, 100 pounds of oats, 50 pounds of bran and 25 pounds of linseed meal. When the goats are on pasture they receive from one to 1 1/2 pounds of this mixture daily.

In spring, summer and fall when goats have plenty of browse and pasture, no grain is necessary. With no browse and short pasture, it is best to give them a little grain. In winter they should be fed about one pound of grain, 1 1/2 pounds of silage or roots and all the hay and fodder they will consume. They should have a shed for shelter, and should be kept dry and out of the cold wind. All feed offered should be clean. Plenty of rock salt should be kept before the goats and a small quantity of fine salt mixed occasionally with the grain. Goats should not be compelled to drink from pools where the water is unclean.

While statistics are not available, Gibson says, it is evident that the number of milk goats in Texas is increasing steadily. Most of the large herds are located around cities.

BACK ON THE FARM

I've lost a score o' years today
Yet sent forth no alarm
I dropped my worries yesterday
And came home to the farm.

Last night the stillness seemed so deep
A million stars aglow
And through the hazy wall o' sleep
I heard a rooster crow.

A rosy robe the sky put on
With fleecy clouds a-trim
Lo, as I looked, a day was born
And every star grew dim.

The chickens flyin' from their roost
Set up a mighty chatter
The egg production they will boost
A very simple matter.

The horse's neigh is on the air
Old hossie is a-mooin'
On feedin' trough and hayrack bare
The pigeons are a-cooin'.

The haystack stands behind the shed
A brown and bulgin' form
With wagon sheet about its head—
The crib's chock-full o' corn.

The fertile fields stretch far away
The creek just goes a-windin'
Through meadows brown, devoid o' hay—
The sheaves are in the bindin'.

The yellow pumpkins dot the earth
Wild geese are southward flyin'
To sunny climes that gave them birth
And gentle soft winds sighin'.

The ripened nuts have leaved the ground
The apple trees are bendin'
The leaves are done in gold and brown
The Autumn day is endin'.

The sun is slippin' fast away
Beyond the western slope,
I've lost a score o' years today
And gained a world o' hope.

—MINA SMITH WHITE.

BUTTERFLIES IN SEPTEMBER

Winging their flight in the pale summer air,
Then sleeping at ease without any care,
Scarlet and gold, lavender and blue,
Cream, brown and black come to my view.

Light airy zephyrs float over their bed,
Knowing the leaves will soon turn gold and red,
Butterflies crimson and azure in hue,
Answer the question that I put to you,

Is it my fancy? I thought you did speak,
If so please answer in manner unique!
"How did you emerge from your home in the dark
And in my memory cause a bright spark?"

Of haunting reminder of days that are gone,
Answer, good butterfly, are you but a pawn?
He tipped up his wings and soon sailed away,
"You will get your answer in Heaven some day."

BLUE-CUPPED SOLITUDE

Have you known silence that is woodland born?
Have you watched evening spill
Her shadow like a blue-fringed mantle, worn
Over each fern-laced hill?

Have you shared moments with the trees, arched high
Above the circling pool
Of silence, couched where dreaming shadows lie,
Blue-curtained, soft and cool?

If you have stood in these hushed aisles alone,
If you have drained the whole
Of blue-cupped solitude, then you have known
Deep wonder in your soul.

BETTER HOMES AND GARDENS

Yes, better homes and gardens
This is what we want,
Vegetables to raise out back
Flowers in the front.

Just a five-room little house
Painted spotless white
With its blinds of emerald green—
(What a charming sight!)

With a small porch at the side,
Roses by the door,
And a little swimming pool—
Could one wish for more?

—LILLIAN ROSAMOND HAMMOND.

BURIED TREASURE

I would not sell my farm to you
For I have treasure on that hill;
Before you spoke, even then I knew
I would not sell.

For once a little daffodil
With laughing eyes of deepest blue
Climbed the steep path by that old mill.

Her Spirit left like the night-dew,
All that remains of little Jill
Is earth. This precious residue
I would not sell.

—ANNA NASH.
